

Fall Community Conservation Learning Programs at the Ann & Sandy Cross Conservation Area

Preregistration and prepayment required. Call Christina at 403 931 1042.

All programs meet at Belvedere House at the Ann & Sandy Cross Conservation Area.

See our website for more information and directions- www.crossconservation.org

Foothills Land Trust- What's New

Find out what's new with the Foothills Land Trust. Discover how our new baseline and monitoring templates, database and conservation stewardship calculator will help conservation in the foothills. Be the first to see these new products generated through grant funding provided by The Calgary Foundation and Alberta Real Estate Foundation.

1 class- Adults only

\$20 per person

Tues., Sept. 14

6:30 to 9:00 pm

Nature Journaling and Water Colours

Learn nature journaling techniques and new ideas. Splash colour into your nature observations by adding watercolour painting into your journal. Be prepared to be outside and bring your journal. Led by journaling expert Trish Savill, Calgary Board of Education.

1 class- Adults only

\$20 per person

Sat., Sept. 18

1:30 to 4:00 pm

Family Fall Frolic

Fall is a spectacular season. Play games and explore fall with hands on activities led by the fun loving staff of the Cross Conservation Area. Learn why leaves change colours, how wildlife prepare for winter and listen for elk bugling. Hike 3 kms on a natural trail.

1 class- Families, children must be 5 years of age or older

\$15 per adult and \$10 per child

Wed., Sept. 22

6:30 to 8:30 pm

A Walk on the Wild Side

Want to know more about the Cross Conservation Area and explore it with the Area's Executive Director of the past 18 years? Join Jacquie for this 3.5 km walk during which she will introduce you to this beautiful gift of land, its history, management, concerns, and flora and fauna.

1 class- Adults only

\$20 per person

Thurs., Oct. 7
6:30 to 9:00 pm

Wildlife Friendly Fencing

Join Jacquie and Reg of the Cross Conservation Area for this presentation on wildlife friendly fencing. We'll discuss what it is, why it's needed, what the Conservation Area will do with its fences, and what you can do to make it easier for wildlife to get around while reducing fence maintenance.

1 class- Adults only
\$20 per person
Tues., Oct. 19
6:30 to 9:00 pm

Elk in the Foothills

Join us for this discussion on elk in the foothills. We will talk about elk as a thriving wildlife species, elk numbers, the successful elk relocation program, and what you can do to help.

1 class- Adults only
\$20 per person
Thurs., Nov. 4
6:30 to 9:00 pm
