

Nature Discovery Day Camps

Ann and Sandy Cross Conservation Area

Summer 2006

Imagine yourself on a Foothills Adventure, exploring the wonderfully wet and wild world of pond life, traipsing through the trees of the Aspen Forest, and peeking through the tall grasses of the prairie. Our unique camps focus on fun while investigating nature through hiking, hands-on activities, games and eco-crafts. Special visits by guest naturalists add to the excitement. Grab your backpack and bring your senses, as you will need to use your ears, eyes, nose and even tastebuds on this nature adventure.
